

FWMIA26

THE FUTURE WEALTH CONFERENCE

DECEMBER 4-6, 2026 | HYATT REGENCY MIAMI | MIAMI, FL

Backed by years of live events, trusted audiences, and a rapidly growing ecosystem focused on investing, ownership, and long-term capital allocation.

2,300+

Paid Private Community

Investors, operators, entrepreneurs, and business owners engaged in markets, investing, and long-term wealth creation.

5 Years+

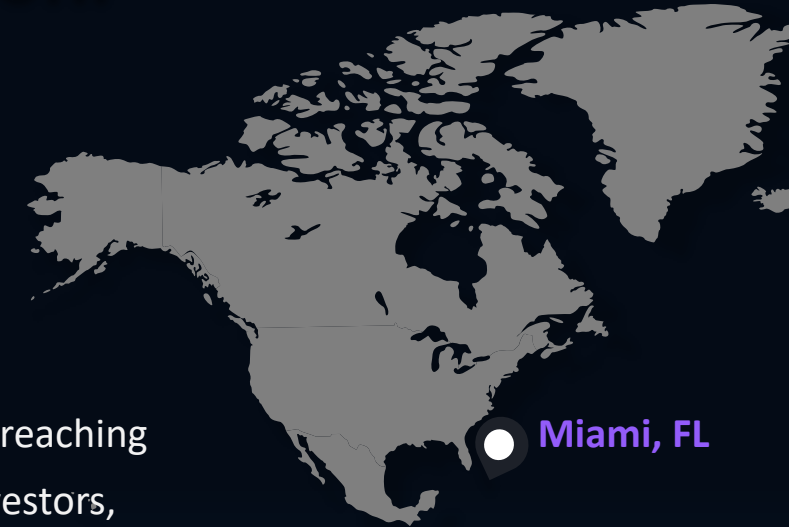

Premium Live Experiences

Professionally produced events focused on investing, capital allocation, entrepreneurship, and the future economy.

2M+

Total Reach

Powered by a network reaching more than 2 million investors, founders, operators, and wealth-builders across media, community, and live events.

The next decade of wealth will be built around technology, ownership, and infrastructure.

WHERE CAPITAL GOES NEXT

A premier conference exploring the future systems driving wealth creation.

EMERGING WEALTH TRENDS

Future Wealth explores the structural trends shaping the future economy, from AI and infrastructure to ownership, digital systems, and capital flows.

STRATEGIC CAPITAL ALLOCATION

How investors, operators, and institutions position capital across emerging technologies, economic shifts, and evolving global systems.

WHERE WEALTH IS GOING

Technology, infrastructure, ownership, and global capital flows are reshaping how long-term wealth is created and preserved.

WHY BRANDS ALIGN WITH FUTURE WEALTH

Engage directly with investors, founders, executives, and high-income professionals influencing wealth creation.

PREMIUM AUDIENCE

Affluent investors, operators, founders, and capital allocators focused on long-term wealth creation.

STRATEGIC POSITIONING

Align with the conversations shaping AI, infrastructure, ownership, and the future economy.

EXECUTIVE ENVIRONMENT

Professional, executive-level environment designed for meaningful networking and business relationships.

LONG-TERM VALUE

Future Wealth is a recurring media, community, and executive ecosystem.

THE EXPERIENCE: MAIN STAGE

The stage for the ideas, markets, and strategies reshaping global wealth.

FUTURE WEALTH INTELLIGENCE

High-signal conversations on the markets, assets, technologies, and capital shifts shaping the next era of wealth.

FOUR CORE TRACKS

Programming built around Future Markets, Compute, Data & Energy, Real Estate & Real Assets, and Digital Assets & Alternative Capital.

ACCESS TO WHAT'S NEXT

A platform to discover emerging opportunities, new ideas, and future wealth-building vehicles.

RELATIONSHIP BUILDING

Curated networking, VIP experiences, private conversations, and partner opportunities designed to create real relationships.

THE EXPERIENCE: BREAKOUT

Tactical education. Real-world strategy. Actionable insights.

TACTICAL WEALTH SESSIONS

Breakout rooms are built for practical, focused conversations that go deeper than the main stage.

TRACK-SPECIFIC STRATEGY

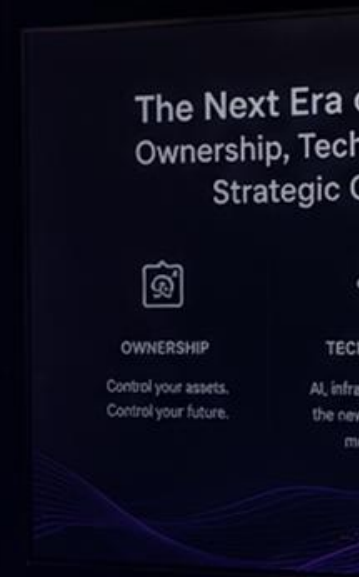

Sessions organized around markets, compute/data/energy, real estate, digital assets, and alternative capital.

IMPLEMENTATION OVER INSPIRATION

Designed for real frameworks, tools, case studies, and strategies attendees can actually apply.

SMALLER ROOMS. DEEPER ACCESS.

More direct interaction with experts, operators, investors, and founders in a focused setting.

PROJECTED ATTENDANCE + AUDIENCE SCALE

*The stage for the ideas, markets, and strategies
reshaping global wealth.*

15K+

Total Prior Event Attendees

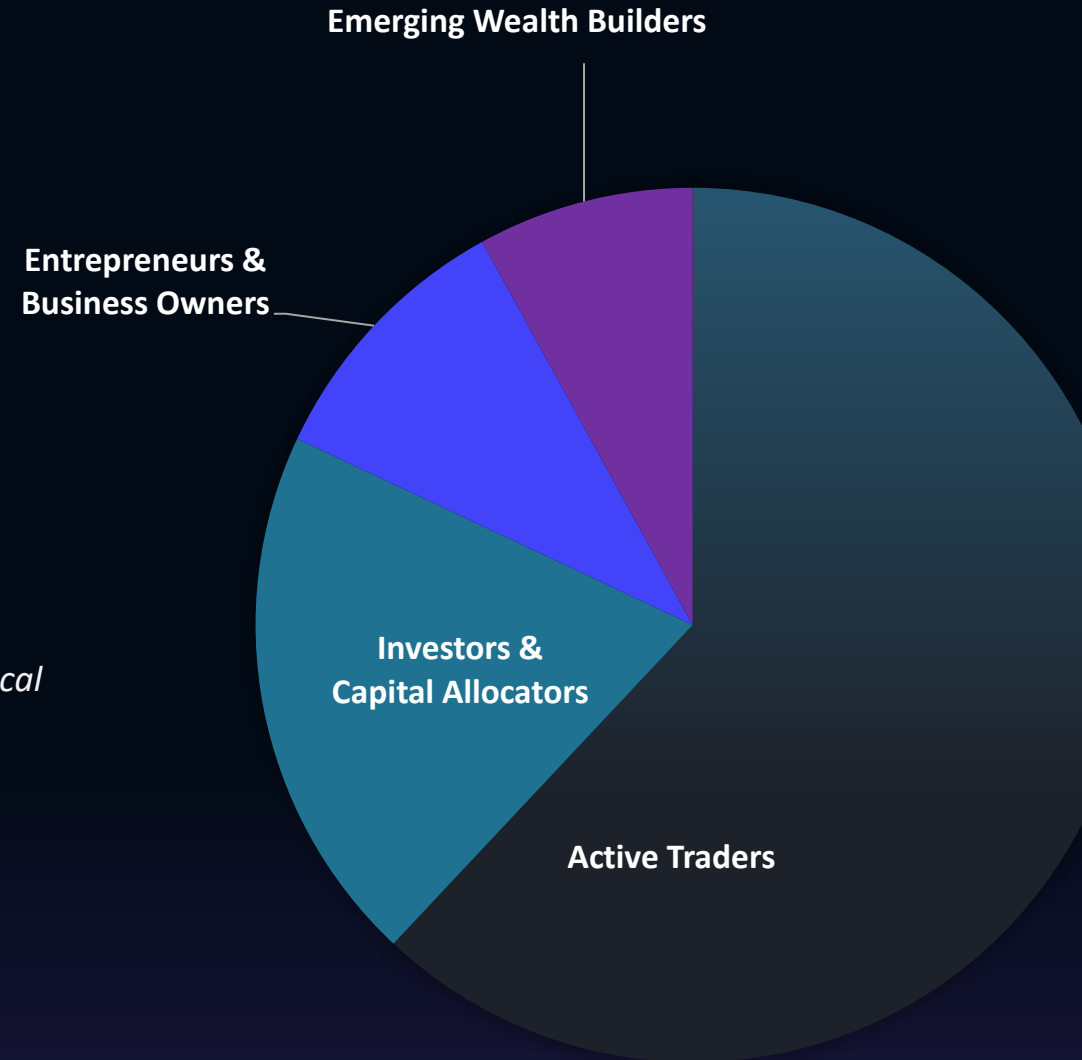

5 Years of paid, in-person attendees across multiple sold-out and high-attendance live events, validating real demand and execution.

500–750+

Projected Attendance

Planned attendance range based on historical sellouts, expanded scope, multi-stage programming, and extended promotion.

Active traders with growing long-term investment focus.

PROJECTED ATTENDANCE + AUDIENCE PROFILE

The stage for the ideas, markets, and strategies reshaping global wealth.

ATTENDEE PROFILE

An active, wealth-focused audience of investors, traders, founders, business owners, executives, and professionals who evaluate platforms, tools, strategies, and opportunities with high intent.

Core Age Range: 25–44

Audience Type: Investors, traders, founders, business owners, executives

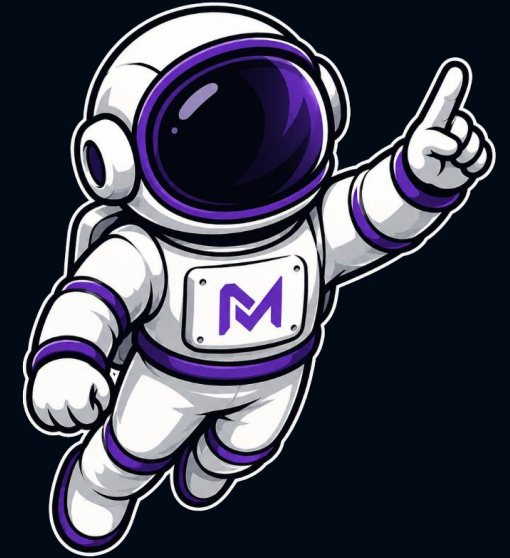

Market Behavior: Market participants and platform evaluators
